## Frequently Asked Questions

**What is included in the site fee?** The site fee allows you exclusive access to the first floor, the Bridal Suite and grounds for 48 hours. Typically the agreement begins at noon on the first day and ends on noon of the last day, however, we can be flexible with the start and end times. Located on the first floor is the large dining area with seating up to 50, the Round Hearth (Stowe's largest indoor fire pit) surrounded by four couches for lounging, a game room with billiards, air hockey and arcade games (all on free play), TV room with a 60" television and a giant outdoor 16 person hot tub. A refrigerator is available for guest use.

The front yard is large enough to accommodate a 40' by 80' tent and the back yard is perfect for the ceremony itself.

If you choose the lodging option, a continental breakfast is also included each morning.

There will be no other guests or events at The Round Hearth during your reserved dates.

The fee does not include tent rental, music, meals (other than the breakfast included with lodging), seating for an outdoor ceremony, flowers or decorations. We can help you with vendors and other ideas.

**Is there a one day package available?** No. We want your wedding weekend to be yours alone and do not want our staff or you and your guests to be concerned with another wedding group and their needs.

**When is payment due?** A 50% non-refundable deposit is due at the time that your date is reserved as well as a \$1,000 damage deposit (the damage deposit is returned within one week of your departure). The final balance is due one month prior to the event and would include all catering fees if using our in-house caterer.

If the bride chooses to pay for the lodging of some family members the payment is due when the rooms are booked. For other guests, their lodging payment is also due in full when booked.

**What can you expect from our in-house caterer?** Our chef, Sue Miller, has served thousands of happy guests over the 10 years she has worked at The Round Hearth. Check out the sample menus that she has prepared but if you want something more – just ask! She is as flexible as she is creative!

Sue is also ready to help you with your rehearsal dinner and morning after brunch. Choose one of our menus or create your own. Serving, set up and all taxes are included in our catering prices. (Buffet style only).

Pot luck for any meal is certainly an alternative for a fee of \$500 each (up to 50 guests), which includes our staff 's help in keeping your dishes warm or cold as needed, as well as the use of our dishes, flatware and serving utensils. It also includes clean up after the meal.

**What is the alcohol policy?** The Round Hearth does not have a liquor license which means that you can bring your own beverages. Kegs are not allowed and the Round Hearth staff will monitor alcohol and reserves the right to ask guests to refrain from drinking at any point. A licensed bartender may be required.

**Are there rules governing outdoor events in Stowe?** The town of Stowe does ask that all outdoor music be finished by 10 p.m. We will expect our guests to adhere to this request and the sound system may be moved indoors at that point.

**Do you really have an on-site professional pianist/harpist?** We really do! Our General Manager, Chris, has a BS in Piano and is also a classically trained harpist. Since he doesn't have to travel he can offer you great rates for your musical needs.

**Are there rules governing decorations?** This is your wedding weekend and we want it to reflect your dreams and desires. That being said, there are a few guidelines that we ask you to follow.

Please provide your decorating plans to us at least two weeks prior to the event. Absolutely no nails, tacks or paint can be used anywhere in The Round Hearth. The use of candles is allowed outdoors or on the first floor as described in your approved decorating plan.

**NO FIREWORKS ARE ALLOWED!!**

**How much parking space is available for guests?** The Round Hearth can accommodate 48 cars per event. If you anticipate larger parking needs we can help you with a vendor for a shuttle service to a nearby parking lot. Under no circumstances can guests park at our neighboring restaurant or on nearby roadways.

**What accommodations are available in the "Bridal Suite"?** The Cliff House Suite has two bedrooms with four sets of bunk beds and one twin bed, a living room and two full baths. It is a great place for the bride and her bridesmaids to get ready for the wedding but isn't a great honeymoon suite!
